

DSA's 10th Charity Bowl 2016

More than 130 bowlers, including 35 DSA Members, were in action at the 10th DSA Charity Bowl on 2nd April 2016 at Superbowl, Mount Faber SAFRA. This was by far, our largest turnout for the event and demonstrates the strong support given by our supporters for our persons with Down syndrome

Every year, DSA organises the Charity Bowl as another platform for the community to integrate with persons with Down syndrome in a sporting environment. Each participating team was made up of four bowlers, with one bowler drawn from participating DSA Members.
