

DSA MEDICAL PASSPORT

NOW AVAILABLE AT ONLY \$7 (member price)

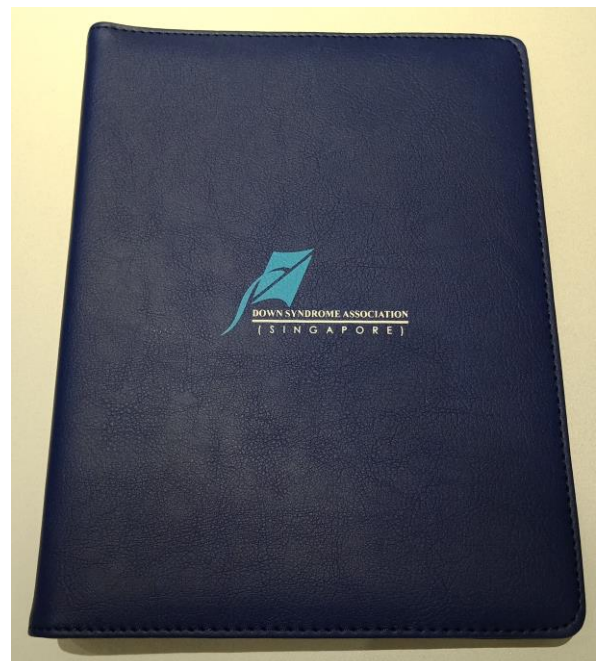

SPECIAL
OFFER

The DSA Medical Passport was formulated with the help of Dr Bhavani for all our DSA members to organise their medical records for their child with Special Needs.

It was with this intention that it will help the doctors/healthcare staffs to better access the health status and needs of the child during consultation.

The DSA Medical Passport was launched on 20 October 2018. A briefing workshop was conducted by Dr Bhavani, who shared with all participants the uses of the medical passports.

We are proud to introduce this medical passport to our members.

Now available at DSA Bishan centre at:

Only \$7 each (member price), \$20 each (Non-member price)

All proceeds from the sale of the medical passport will go towards the provision of quality programmes for persons with Down syndrome.

Kindly call **Janet** at 6500 9304 for enquiry and purchase.
