

Date: 22 Feb 2020, Saturday
Time: 9.30am to 12.30pm
Venue: DSA Centre, Studio 1,
Bishan Place, #09-01,
Junction 8 Office Tower,
Singapore 579837

Speaker Synopsis: Ms Eva Loh

Eva Loh is an experienced Speech-Language Therapist in the disability sector in Singapore. She was recognised to be Singapore's first qualified Key Word Sign (Australia) Presenter in 2009. Eva uses Key Word Sign actively in her clinical work, and recognises the benefits and potential in the approach as a viable mode of communication for persons with complex communication needs.

Synopsis of Talk:

Participant of this workshop would learn:

1. To identify and have a better understanding of the communication stages/milestones and learn of important interaction strategies
2. To learn an interactive sign vocabulary (approximately 50 Key Word Signs), including functionally important words and words related to child's likes
3. Identify opportunities for hands-on practice
